

# Questar Gas Management

**Compressor Operations Supervisor (270905-QSI)** – Questar Gas Management, Field Operations, Rock Springs Area, Rock Springs, Wyo.

Application Deadline: **Open until filled**

**To apply for this position: Fax a resume to Frances Bosch at 801-324-2782 (specify job and salary requirements) or e-mail to: [hr.qmr@questar.com](mailto:hr.qmr@questar.com).**

## **Duties and Responsibilities**

To supervise operations and maintenance personnel regarding company owned natural gas compressor facilities under the direction of the district manager. Duties will involve scheduling maintenance, parts procurement, employee appraisals, budgeting, generating AFE's, and supervising the daily operations and maintenance of compressors and all related ancillary equipment. This job will also entail tracking and monitoring equipment run time and emissions testing, which requires computer skills to include, but not limited to: word processor, spreadsheet, data entry.

## **Work Conditions**

Requires: frequent standing, driving a four-wheel drive vehicle, and occasional bending, squatting, climbing, twisting, balancing and reaching. Individual will be required to work in extreme temperature conditions, both hot and cold; in and/or around moisture; on slippery and/or uneven surfaces, in confined spaces; and at heights. Personal protective equipment will be required to prevent exposure to: noise, vibrations, nonionizing radiation, salt water, chemical substances (i.e., well-treating chemicals, glycol, ambitol, methanol, solvents, gasoline, natural gas and liquid hydrocarbons). Schedule will be either eight 10-hour days with six days off, or four 10-hour days with three days off. May require additional hours for project completion.

## **Minimum Qualifications**

- **Knowledge of:** company standard practices, emergency plan, operating inspection, maintenance plan and all safety requirements; gas compression, water and oil tanks, natural gas engines and compressors, plant computer and control equipment.
- **Skill in:** basic arithmetic, and oral and written communications. Computer skills using Excel and Word are a must.
- **Ability to:** lift items weighing up to 75 pounds; move items weighing up to 500 pounds with equipment assistance; use various hand tools and hoists; hear; see objects at close range and in the distance; distinguish colors and relationship between objects; understand and complete oral and written instructions; communicate effectively orally and in writing; receive and convey information; be courteous to co-workers and customers; follow directions from supervisors; and refrain from abusive or profane language and behavior in the workplace.
- **Requirements:** Must have a minimum of two years experience in a supervisory position over the maintenance of natural gas stationary equipment; possess a valid driver's license; an acceptable driving record; undergo random drug testing subject to DOT requirements; must adhere to all policies established by the company, including the Questar Corporation Business Ethics and Compliance Policy; and regular attendance.

**Questar is an equal opportunity employer. All applicants receive equal consideration regardless of their race, color, religion, age, gender, disability, veteran status, sexual orientation, national origin or any other protected status. Questar is a drug-free workplace.**
